***Review of last meeting's minutes:**

Suggestion Boxes & Worry Boxes

Suggestion Boxes: to be taken out of the classrooms and be placed in a central place for all to access - On the shelf under the school council noticeboard.

Worry Boxes: Make sure all classrooms have one. These to stay in the classrooms for the teachers to read and address.

Tee Pees:

From the last meeting we asked for the Tee Pees to be thought about and cleaned up.

☺ Mr Potts has jet washed the Tee Pees so they are now lovely and clean
- Thank You Mr Potts.

Next action:

To name the Tee Pees and give each Tee Pee a box with activities:

Suggestions:

- *Reading
- *Drawing
- *Small games

Competition for KS1: Name the Tee Pee
(KS2 School Councillors to arrange this)

Bagels:

Children and families asked if we could start to have Bagels again in the mornings.

☺ Mrs Holland arranged for this to happen and many children now have bagels in the mornings and everyone is welcome!

To add: As we have bagels on offer we don't feel the need for toast at break time too!

Clubs:

Children and their families really wanted after school clubs to restart:

Mrs Holland had a meeting with the teachers and teaching assistants and it was unanimously decided that this should happen asap.

Clubs have now started and are attended well in KS1 and KS2.

Other suggestions discussed:

Lunchtime

- *Ketchup with some meals
- *Jugs of water to be available in hall
- *Other flavoured juices except blackcurrant at lunch

*Re-introduce the **daily** mile in every class for every day

*Box of skipping ropes for classes to share

*Additional water cooler in KS2 for Year 5 & 6 side

School Council thoughts/comments:

- *Great idea - Year 5 have received training for playground games so hopefully this will be arranged soon
- *Miss Carrington will ask about budget for playground games/equipment
- *We felt that it was already timed well to break up the morning
- *Discussed and felt it wasn't practical as in the summer we play other games such as rounders and we wouldn't be able to have markings for all
- *Miss Carrington shared the idea of entering a competition to win a playground makeover!
- *We can amend/improve the football rota to make it show the basketball clearly too
- *Maybe every week a class can be responsible for litter picking? Earn Gems?
- *Should be buy them or make our own?
- *Clubs will change or continue every half term.
Suggestions can be made via the Pupil Voice Questionnaire
